

PELÉ

(Supernature, Connaisseur, Get Physical, Upon You, My Best Friend, Dirt Crew, Tanzbar Musik)

Own Club, own festival and a lot of releases on established labels like "Supernature", "Connaisseur", "my best friend" and also "Get Physical" + "Upon You" soon – those labels reflects the southgerman multitalent "Pele" in his vision as a artistic interpreter.

Started & prakticed in his boyhood at the discothek from his parents, Pele started mixing his own sound in the clubs regularly – rapidly the words get around, which musically aptitude he has and everybody has to known it to happen.

When he was 20 years old, he purchased his first own equipment, with 22 he released his first single on "connaisseur recordings" and since then he´s a permanent user of the most successful local "crème de la crème" – labels.

It shan´t be long and his first club hits are following – after "Childhoods End" & "Viva Belize" at "Connaisseur Recording" Pele produced with "El Condor" for the first time at "Supernature Recordings" a worldwide floorfiller and reaps high renown and massive playlists from the famous all around the world like Sven Väth, Dubfire, Laurent Garnier, John Digweed and many more.

His selection from his backstock of music persuades every consolidate clubfreak & lover of music. "Pele" reflects in his DJ gigs, all the things, which you can find in his productions: hypnotic, floating, to the point - and anyway different.
